From the General Manager:

What an outstanding Labor Day tournament weekend at BHGC! Thank you to the 179 players for choosing to play in the 83rd annual Labor Day Tournament, and to our entire staff for a job well done!

This week looks to be another fantastic week for golf, so be sure to enjoy the September sunshine with friends and family at the best golf course (with the best members) in the Flathead Valley!

Labor Day in the books!

From the Golf Professional:

Congratulations to Emmy Sundby and Justin Dorr on their victories this weekend in the Labor Day Tournament. Emmy is a first-time player out of South Dakota who is currently on the golf team at the University of Montana. Justin is now a two-time champion 18 years after his first victory in 2002. Great job to both players! Despite the cold weather on Monday, spirits were high, and the weekend turned out great. A sincere thank you to everyone that played and made it all three days.

What a Weekend!

From the Golf Course Superintendent:

It was so great for us to get the course prepared for the weekend! We had a fantastic turnout even without our Canadian friends!

I personally felt the course played great and was fair and yet a good challenge.

Thank you all for the wonderful, kind, and harassing (kindly) comments I received this weekend!

See you all next year!!

From the Food & Beverage Manager:

After 52 years at Buffalo Hill, I am going to retire from my position as Food & Beverage Manager, effective December 31st, 2020. It has been a great ride filled with many pleasant memories.

I would like to thank all of you that have shown me your support and respect throughout the years. I will cherish all of the friendships both personally and professionally that I have developed throughout the years for the rest of my life. I would also like to thank all of 1000's of members, staff and Board of Directors that I have had the pleasure of working with. One of the most significant memories comes from working with Steve, Dave, Marlin, Casey and Mike, plus all of the wonderful servers,

bartenders, chefs that I have been associated with throughout the years. Believe me, it doesn't get any better. They have certainly made my job a lot easier and more enjoyable.

Most of all I am looking forward to spending more time with my wife and family. Who knows, I might even get in a few extra days on Big Mountain or I even try to catch a fish!!
