

Buffalo Hill Golf Club

E-News 10/12/2020

From the General Manager:

Good chilly morning!

What an incredible two week run we had! The weather couldn't have been better and the colors are *STILL* spectacular.

As you're likely aware, the Board of Directors have set fees for the 2021 season with a minimal increase to the annual pass of just \$15, which was the first increase in three years. We hope the membership understands and supports the small increase - we hope to see everybody back in 2021. If you'd like to make payments over the winter, give Tess a call in the main office - she'll be delighted to assist!

Worth noting is that Casey continues his efforts to move inventory at deep discounts! Our goal is to have *VERY LITTLE* on the floor by December 31st, so come on up and take care of Christmas gifts for the golfer in your family - or maybe treat yourself!

The clubhouse is also gearing up for a busy holiday season, but due to Covid-19, we now have several nights available. Call BJ at 756-4551 to book your holiday party! The ambiance of the clubhouse makes for a very special venue and memorable celebration!

We still have some good weather ahead for many more rounds of golf - so don't put those sticks away just yet! Come up and enjoy the great game of golf!

Be Aware of Potential Fall Frost Delays

From the Golf Professional:

It looks like we finally have some frosty mornings coming up this week. We will do our best to manage the cold mornings and any frost delays we may have. As always, thanks for your patience as we enter the cold season.

A few congratulations are in order:

Lynn Hadley shot 80 on his two trips around the Cameron, which beat his age by 3. Congrats Lynn!

Stu Wilson has been shooting in the 70's a number of times this season. At 80 years old, that is very impressive playing. Great season Stu!

Don Olsen had his first hole in one on #3, Cameron 9. Dan Driscoll and Ray Quesenberry were there to see it happen.

Steve Crippen also had his first hole in one on #16 last Saturday. Witnessing the shot were Jesse Paine and Chuck Eble.

Nothing quite like your first hole in one... nicely done Don and Steve!

-- Casey Keyser, PGA Head Professional
casey@golfbuffalohill.com

Frost is Coming!

From the Golf Course Superintendent:

Frost, as usual, will create delays in the mornings. We don't want to damage the grass by allowing play (or even foot traffic) on frosty turf. Please be patient on those cold morning delays and remain off all turf until the pro shop makes an announcement.

Please be aware that we will start blowing out the irrigation system next Monday, the 19th, on holes 5 through 16.

It happens too often - golfers taking divots from greens, skidding tires, and doing 360's in golf carts! If you witness any of this behavior, please place a call to the Pro Shop. If you can, take photos with your smart phone. Together, we can identify the culprits and ensure appropriate action is taken!

Please help the crew and I as we've worked hard to keep the course in good condition this year for all to enjoy!

Thanks!
