

Buffalo Hill Golf Club

E-News 10/19/2020

From the General Manager:

Good morning golfers and winter enthusiasts!

Hmmmm, well, this is sure a surprise. A little colder and whiter than any of us expected, but fear not, the green grass underneath this cover of white will reappear and more golf rounds will be played!

Ideas for this week:

1. Call Tessa in the main office (756-4548) or the pro shop (756-4547) to renew your 2021 membership!
2. Visit the pro shop for end of season deals! Casey has in-stock inventory up to 50% off!
3. Come up for breakfast or lunch! And while here, consider what a wonderful venue the clubhouse would be for your holiday parties. Call BJ at 756-4551 to plan your special event.

4. Pray for sunshine and play golf by Thursday!

Thank you to our membership and guests for making 2020 a successful season!

Stay Tuned for Course Updates

From the Golf Professional:

It appears this week will be a cold one. If there's a chance of playing golf at all we will open the course, but it seems unlikely. Hopefully we see a rebound in temperatures soon allowing us to play a few more days this season. Feel free to call the golf course or check our website for day to day updates.

While the course is closed in October, the golf shop will be open from 10:00 – 3:00 PM each day to answer phone calls and take potential tee times.

Gene Garrison had a recent hole in one on the Championship. Gene hit a 7 iron from 155 yards on #9. Tim Jellison, Tim Carter, and Kerry Culver were there to witness his best shot of the year. Congrats Gene!!

Ok Winter!

From the Golf Course Superintendent:

Not surprising to see on occasion, but certainly a bit earlier than anticipated. Amazing the forecasters were correct!

Last week I had said we would be starting our irrigation blow out, but with the change in weather forecasts we started last week and hope to have everything blown out by mid week.

As we head into November (assuming we can play golf) our rope and stakes will be up and around the greens in preparation for full winter. We will leave the rope down in front of the greens for play until we see a more permanent snow.

Maybe mid week we can play some golf.

Thanks,
