

Buffalo Hill Golf Club

E-News 11/16/2020

From the General Manager:

Good morning everybody!

On behalf of the Board of Directors, I would like to extend our deepest appreciation to members who have kept Buffalo Hill Golf Club in their annual charitable giving plan. Several members chose to give to BHGC through the Flathead Community Foundation (FCF), others made gifts directly to BHGC for the benefit of the capital improvements fund.

If you are interested in making a donation to BHGC or to the FCF, please feel free to give me a call any time at 406-756-4549. Remember, your gift can only be used for capital improvements at Buffalo Hill Golf Club. Several members who have made donations to the capital fund respectfully ask their fellow members to consider making a donation that will benefit present and future generations of golfers at BHGC. Legacy gifts can also be arranged through the FCF. THANK YOU! Your generosity and unselfish kindness and concern for the future is what makes such a positive difference at Buffalo Hill.

Tessa and Casey look forward to seeing or hearing from you to renew your 2021 season pass and other services! Call Tessa at 756-4548

or Casey at 756-4553, and please leave a voicemail if the line is unanswered. We guarantee we will return the call within a day (if not immediately.)

Thank you!

Pro Shop Sale Continues

From the Golf Professional:

What a treat it was to watch Dustin Johnson at the Masters last weekend. He has so much talent and it was all on full display. The only thing missing were the fans and roars we associate with the tradition. It did however showcase the topography of Augusta National better than it ever has before. We may never get to see it that way again. Only 5 months until we get to do it all over again!

The golf shop is still open Tuesday through Friday if you need anything. Our Fall sale is now our Winter sale and will go through the holidays.
