

Buffalo Hill Golf Club

E-News 11/2/2020

From the General Manager:

Good morning members!

What a beautiful weekend - and we even played a few bonus rounds of golf!

As most of you are aware, in 2017 after 26 years as Buffalo Hill's PGA Head Professional, Dave Broder turned over the reigns to Casey Keyser, PGA. However, Dave remained on staff as an assistant golf professional and teacher of the great game of golf. Well, a couple of

months ago, Dave took the next step and announced his retirement, effective 10-31-2020. I know I speak for the thousands of people that Dave touched over the years when I say "Well done, Dave, you will be greatly missed." Words just can't adequately express the respect and admiration I have for Dave.

Due to Covid-19 and the restrictions in place on large gatherings, we must postpone a celebration at this time, but you can be sure that we WILL have an opportunity in 2021 to honor and thank Dave for his amazing service to Buffalo Hill Golf Club.

2020 is nearly in the books, but we are already planning for the 2021 golf season! Be sure to call Tessa in the main office to renew your membership or inquire about any other membership service such as a fleet cart pass or cart storage.

Come on up for a few more rounds, and by the looks of temperatures this weekend, don't delay!

-- Steve Dunfee, General Manager

Late Fall Golf Opportunity!

From the Golf Professional:

It looks like we may just get a few more good days in this week. Mike will be spraying fairways and greens over the next few days, so please give him and the crew the right of way. The shop will be open 9:00 – 5:00 each day the course is open this week. Enjoy what we have left!

Saturday was Dave Broeder's last day at Buffalo Hill. His presence will be greatly missed, and his contributions never forgotten. The relationships and rapport Dave established with the members and guests is why Buffalo Hill means so much to so many. Hopefully, he can now spend more time fishing, hunting, and catching up on the golf he could not play over the last few decades.

Dave, your guidance and mentorship over the last number of years is greatly appreciated. Congrats on your retirement! Enjoy your much-deserved free time!

-- Casey Keyser, PGA Head Professional

What A Difference A Week Makes!

From the Golf Course Superintendent:

We will be getting out and getting that fungicide application done on greens today and starting fairways and tees.

Please watch out for us as this is our opportunity to best protect the course from winter.

We will be blowing everything from tee through the greens.

Thanks,

-- Michael Combs, CGCS
