## E-News 1/11/2021

### From the General Manager:

Good morning!

As we approach the second week of January with very little snow on the course, I am reminded that this has happened before, and that snow can come in large quantities at any time! That said, there's also a good chance for an early opening, so keep that swing going.

It's also that time of year where we reach out to the members asking for nominations for consideration to the [BHGC Hall of Fame](#). Nominations will be accepted until February 15, 2021.

The KGA annual business meeting is tentatively scheduled for April 28, 2021. If you have any new business you'd like to see on the agenda, please send an email or letter to the

Board of Directors by February 15, 2021. An announcement of the meeting along with the official agenda will be sent 10 days in advance of the meeting via USPS as required by the KGA By-Laws. Absentee ballots are available by contacting the main office at 406-756-4548.

Have a great week and keep us on your places to visit for lunch this week!

## Early Bird Deadline Reminder

### From the Golf Professional:

Early Bird passes are available through the end of February, but there is no need to wait. Stop in or call anytime to re-up for 2021. Remember also that our recruit and reward program is still going on. Recruit any new adult member and receive a total savings of \$300 between the two memberships, as well as discounts for new Cam 9, Corporate, and Junior members. Not only can you save money, but it's a great way to support the club and introduce someone new to our great community at Buffalo Hill.
