

Buffalo Hill Golf Club

E-News 1/11/2021

From the General Manager:

Good morning!

As we move into the heart of winter, I hope this finds you all healthy and safe. With the reduced restrictions from the Governor, it will allow BHGC an opportunity to once again host larger parties and events. However, your safety is our highest concern and first priority. We will continue with deep cleaning and sanitation around the clubhouse, and hand sanitizers at the exit doors will remain in place. Of course, masks are still required unless dining or enjoying a beverage.

Just a reminder that February 15th is the deadline for submitting agenda items to the Board for consideration at the annual meeting, which is scheduled for April 28th. February 15th is also the last day for submitting nominations for consideration to the 2021 Hall of Fame.

Finally, if you're interested in serving on the Board of Directors, please feel free to contact the Board or myself for information. KGA President of the Board Randy Hinzman encourages his fellow members to volunteer and serve Buffalo Hill Golf Club.

Enjoy your week - and be safe!

MSGA Handicap Updates

From the Golf Professional:

For many years now, the MSGA (Montana State Golf Association) has used Golfnet software to service its members' handicaps. As of February 1st, all MSGA handicaps will be in the GHIN system which is used by the majority of associations throughout the United States. Ultimately this is a great thing for the MSGA and all Montana golfers for many reasons.

Currently we do not have much information or details to pass along on how exactly this will affect MSGA members. When more information is available, we will pass it long.
