E-News 1/4/2021

From the General Manager:

Good morning!

First, please accept our best wishes for a happy, healthy, and prosperous 2021! Your management team is excited for the new year and determined to move forward with first class service and a fun filled schedule of tournaments and events.

A big shout out of appreciation to three anonymous, wonderful ladies who gave generously again to the Flathead Community Foundation for the benefit of BHGC's capital fund. The names and amounts are confidential, but they do encourage their fellow members to give what they can afford. Any amount helps! For more information on gift giving for the benefit of BHGC, please feel free to contact me at any time.

January starts our big push for memberships! Call Tessa at 756-4548 or Casey at 756-4547 for information and assistance. We barely have any snow remaining on the golf course, and temperatures through mid January look a bit above normal. Could this be an early opening?

Be sure to come up and meet Stephanie, say hello to Carl, and see Casey and Tessa about your golf membership and other services for 2021!

Happy New Year!

From the Golf Professional:

I hope everyone enjoyed their holiday season. We are extremely excited about the 2021 season. Regardless of the circumstances we find ourselves in this year, we will certainly make the most of what we can.

The golf shop will continue to be open Tuesday - Friday, 10:00 A.M. - 3:00 P.M. for any of your pass sale or merchandise needs.

Cheers to 2021!
